Ventura LAFCo Conflict of Interest Code

Government Code § 87306.5 requires that public agencies biennially review their conflict of interest code in even numbered years to determine if the existing code is current or in need of amendment. The Government Code also specifies that the Board of Supervisors is the code reviewing body for any local government agency with jurisdiction wholly within the County. LAFCo is a local government agency as defined by these provisions of the Government Code. The Commission first adopted a conflict of interest code in 1993. It was last amended in 2014.
