**NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM
IMPLEMENTATION AGREEMENT
VENTURA COUNTYWIDE STORMWATER QUALITY MANAGEMENT PROGRAM**

This AGREEMENT is between the County of Ventura hereinafter referred to as COUNTY, the Ventura County Watershed Protection District hereinafter referred to as DISTRICT and the Cities of Camarillo, Fillmore, Moorpark, Ojai, Oxnard, Port Hueneme, San Buenaventura, Santa Paula, Simi Valley and Thousand Oaks, hereinafter collectively referred to as CITIES, with respect to the following matters:

RECITALS

Whereas, Congress in 1987 amended Section 402 of the Federal Clean Water Act [33 U.S.C.A. 1342(p)] to require the federal Environmental Protection Agency (EPA) to promulgate regulations for stormwater discharges; and

Whereas, these regulations require the control of pollutants for stormwater discharges by requiring a National Pollutant Discharge Elimination System ("NPDES") permit for the discharge of stormwater into waters of the United States; and

Whereas, the CITIES, the COUNTY and the DISTRICT entered into a series of agreements beginning in 1992 ("Implementation Agreements") to fund and develop an integrated stormwater discharge management program with the objective of protecting and improving water quality in Ventura County; and

Whereas, pursuant to the Implementation Agreements, the CITIES, the COUNTY, and the DISTRICT jointly filed an application with the Los Angeles Regional Water Quality Control Board (Regional Board) for a NPDES permit; and

Whereas, the Regional Board in 1994 adopted Order No. 94-082 which regulated stormwater discharges in Ventura County; and

Whereas, the Regional Board in 2000 replaced Order No. 94-082 with Order No. 00-108; and

Whereas, the Regional Board on May 7, 2009 replaced Order No. 00-108 with Order No. 09-0057; and

Whereas, the Regional Board on July 8, 2010 adopted Order No. 2010-0108 (PERMIT), which designates the CITIES, the COUNTY and the DISTRICT as "Co-Permittees" and designates the DISTRICT as the "Principal Permittee;" and

Whereas, the Implementation Agreements provide, among other things, for the funding of NPDES program requirements through the DISTRICT's Benefit Assessment Program; and

Whereas, the CITIES, the COUNTY, and the DISTRICT have approved annual extensions of the Implementation Agreements in order to provide annual funding for NPDES program requirements; and

Whereas, the latest extension of the Implementation Agreements will expire on June 30, 2010; and

Whereas, the CITIES, the COUNTY, and the DISTRICT mutually desire to modify, among other things, the cost share provisions under the Implementation Agreement in accordance with changes to the NPDES Program while preserving the Benefit Assessment Program as a source of funding for the program; and

Whereas, cooperation among the CITIES, the COUNTY and the DISTRICT to jointly implement a Countywide NPDES Stormwater Program is in the best interests of the CITIES, the COUNTY and the DISTRICT; and

Whereas, the CITIES, COUNTY and DISTRICT also operate municipal storm drain systems and discharge stormwater and urban runoff pursuant to the PERMIT; and

Whereas, the CITIES, COUNTY and DISTRICT as Co-Permittees have obtained, renewed and complied with the PERMIT; and

Whereas, the PERMIT requires the Co-Permittees to coordinate the development and implementation of a stormwater quality management program.

NOW, THEREFORE, the parties do mutually agree as follows:

1. **PURPOSE:** This AGREEMENT establishes the rights and responsibilities of each party with respect to funding and compliance with the PERMIT.
2. **CONDUCT OF VENTURE:** The responsibilities of the CITIES, COUNTY and DISTRICT are as described in the PERMIT and as described below:
 - A. Each Co-Permittee is independently responsible for complying with the requirements of the PERMIT within its own jurisdiction and complying with any individual enforcement actions pertaining to permit violations issued by the Regional Board.
 - B. The Ventura Countywide Stormwater Quality Management Program (PROGRAM) will be managed by a Management Committee (COMMITTEE). The COMMITTEE will be composed of twelve (12) members; one representative of each of the CITIES, COUNTY, and the DISTRICT. The COMMITTEE will be the principal forum for directing the activities of PROGRAM. The COMMITTEE will be chaired by the representative of the Principal Permittee named in the PERMIT.
 - C. Each member of the COMMITTEE will have one vote for any motion. Any budgetary motion must be approved by a 2/3 majority vote of the COMMITTEE (8 of 12), and any non-budgetary motion must be approved by majority vote.

- D. Rules governing the efficient operation of the PROGRAM (Appendix A) and COMMITTEE (Appendix B), including the definition of Co-permittee activities, Principal Permittee activities (Administration, Reporting, Monitoring, Countywide Outreach), as defined by the COMMITTEE are incorporated herein and attached as appendices. The Public Works Directors Committee (DIRECTORS) will be composed of 12 members; the Public Works Director of each of the ten CITIES, the County's Public Works Director, and the District's Director, or their designees.
- E. The DISTRICT, in addition to being a Co-Permittee, performs the services of the Principal Permittee. If there should be a transition of any Principal Permittee service(s) to another service provider, it is the intent of the Co-Permittees that a reasonable time period be required to enable a smooth transition of those services that minimizes the DISTRICT's loss in either infrastructure or staff levels. For external expenses of tasks over \$50,000, Co-Permittees have the option of directing the Principal Permittee to go through a competitive process for choosing the method of delivery of services.
- F. DISPUTE RESOLUTION: Any COMMITTEE member may appeal any formal decision of the COMMITTEE to the DIRECTORS.

All appeals brought to the DIRECTORS must be decided by a 2/3 majority vote of the DIRECTORS.

- 3. FINANCIAL RESPONSIBILITIES: COMMITTEE-approved activities performed by the Principal Permittee benefit all of the Co-Permittees. By pooling resources, the Co-Permittees benefit from cost sharing and better coordination of permit-required activities. Each of the Co-Permittees has a responsibility to fund a portion of the budget for services performed by the Principal Permittee. Principal Permittee activities, in general, consist of the following: program administration/coordination, reporting, monitoring and public outreach. In addition, those activities not included in the annually approved Principal Permittee budget (for instance, those activities specific to one party) are not the responsibility of the Co-Permittees.
 - A. Principal Permittee Costs – The DISTRICT will pay 50% of the Principal Permittee cost, annually, with one exception: for Fiscal Year (July 1 through June 30; FY) 2010-2011, the DISTRICT will contribute 50% up to, but not exceeding, one million dollars (\$1,000,000). If the Principal Permittee costs for FY 2010-2011 exceed two million dollars (\$2,000,000), those excess costs will be shared among the CITIES and COUNTY, as described in subsection 3.B.i.
 - B. Co-Permittee Costs
 - i. CITIES and COUNTY will pay the cost for approved Principal Permittee expenses, less the DISTRICT's cost share, per subsection 3.A., proportional to the current Benefit Assessment Unit (BAU) ratios. The BAU ratios are updated annually according to the County Assessor's records.

- ii. All Co-Permittees will pay their own costs for Co-Permittee activities not assigned to the Principal Permittee.
- iii. The CITIES and COUNTY will investigate alternatives to the BAU cost-sharing method and, in good faith, discuss and try to reach consensus, on maintaining the current method for cost-sharing, or amending this AGREEMENT to initiate an alternative cost-sharing method. The investigation and discussion will take place in FY 2010-2011 with the goal to reach a consensus by April 1, 2011, so an amendment, if necessary, can be prepared to be approved by all the Co-Permittees and implemented on July 1, 2011, for FY 2011-2012 and beyond.

4. FUNDING SOURCES

- A. Co-Permittees may continue to fund requirements described in Section 3 through the DISTRICT's Benefit Assessment Program in accordance with annual requests submitted to the DISTRICT. Each annual request must be supported by a program description, budget, and such other information reasonably requested by the DISTRICT. The Co-Permittees' share of the Principal Permittee budget may be deducted from the proceeds of the Benefit Assessment Program or by payment to DISTRICT. Co-permittees must notify DISTRICT by February 1 of each year of their preferred method.
- B. The Co-Permittees will collaborate with the DISTRICT, and invite them to participate in additional funding source(s) for activities to comply with Order No. 2010-0108.

5. RECORDS AND ACCOUNTING: By February 1st of each year, the Principal Permittee must prepare a projected detailed annual budget by activity, including but not limited to, labor and fixed costs for COMMITTEE review and approval for the following fiscal year.

- A. The Principal Permittee must implement accounting tracking mechanisms in order to report and describe contributions and expenditures annually.
- B. Each year Principal Permittee expenditures will be reconciled against the approved budget. Any unexpended Principal Permittee funds will be refunded to the Co-Permittees in the subsequent year.
- C. The Principal Permittee will retain all permit-required documents and fiscal records for five years, and make available for review by any Co-Permittee, the Regional Board and/or the USEPA.

6. FINANCIAL IMPLEMENTATION DATE: The financial aspects of this AGREEMENT will take effect on July 1, 2010.

7. AMENDMENTS TO AGREEMENT: This AGREEMENT will be re-evaluated with each new NPDES permit and prior to the finalization of any new major PROGRAM funding source. This AGREEMENT may be amended by written consent of the Co-

Permittees, signed and approved by the governing body of each Co-permittee. Any amendment must comply with the requirements and regulations set forth by the Regional Board. Should, during the AGREEMENT term, Order No. 2010-0108 be revised, the parties will have the right to call for renegotiating the financial terms described in this AGREEMENT. Revision of Order No. 2010-0108 through a TMDL reopener process (incorporation of newly adopted TMDLs into the Order) are not considered for these purposes a call for renegotiation.

8. **NON-COMPLIANCE WITH PERMIT:** Any Co-permittee or Principal Permittee not in compliance with the PERMIT within its jurisdiction or scope of responsibility will be solely responsible for any lawfully assessed penalties.
9. **APPENDAGE OF AGREEMENT:** Any Co-permittee may negotiate a separate AGREEMENT with other Co-Permittees or with all Co-Permittees regarding stormwater/urban runoff discharge management issues. Such agreements will not be appended to this AGREEMENT however, they may reference this AGREEMENT.
10. **WITHDRAWAL FROM THE AGREEMENT:** A Co-Permittee may withdraw from this AGREEMENT after giving at least 180 days' written notice of withdrawal to the Principal Permittee and the Regional Board. The Principal Permittee must notify the remaining Co-Permittees within ten (10) business days of receipt of such notice.
 - A. The withdrawing Co-Permittee must obtain a separate Stormwater NPDES permit prior to withdrawal and comply with all permit requirements established by the Regional Board. Any withdrawing Co-permittee will be responsible for its share of Principal Permittee and shared costs for the remainder of the budget year of withdrawal.
 - B. The withdrawing Co-Permittee will be solely responsible for all lawfully assessed penalties as a consequence of withdrawal. The cost allocations to the remaining Co-Permittees will be recalculated in the following budget year.
12. **EXECUTION IN COUNTERPARTS:** This AGREEMENT may be executed and delivered in any number of counterparts or copies by the parties. When each party has signed and delivered at least one counterpart to the other parties, each counterpart will be deemed an original, and taken together, will constitute one and the same AGREEMENT, which will be binding and effective as to all the parties.
13. **FEDERAL AND STATE GUIDELINES:** This AGREEMENT is meant to be consistent with the terms of all applicable Federal and State permit regulations or guidelines as presently written and as may be amended during the term of this AGREEMENT. If any provision of this AGREEMENT conflicts with any Federal or State permit regulation or guideline, the guideline will take precedence. All provisions, which remain consistent, will remain in force and effect.
14. **TERM:** This AGREEMENT will become effective upon approval of all 12 Co-Permittees and will continue in effect until the term of the Permit issued by the Board on July 8, 2010 (Order No. 2010-0108) expires, or until terminated in the manner provided for in this AGREEMENT.

15. **TERMINATION OF AGREEMENT:** A 2/3 majority (8 of 12) of the Co-Permittees may terminate this AGREEMENT by mutual written consent.
16. **NOTICES:** All notices and correspondence will be deemed duly given, if (a) sent by certified U.S. mail; (b) delivered by hand; (c) deposited in the U.S. mail, postage prepaid and notice to the addresses of such mailing by phone immediately after deposit in the U.S. mail; (d) emailed and notice to the recipient by phone immediately after sending the email; or (e) faxed to the Principal Permittee and confirmation by phone immediately after sending the fax.
